Our system can also remind the buyer of late payment and track & charge late fees. (when applicable).
- **Timely Notification:** Each time a payment is received on the account, a notice is mailed to the seller showing the date, amount paid and the disbursements.
- **Reserve Accounts:** We can set up reserves to pay hazard insurance, flood insurance, property taxes, or other requirement disbursements.
- **Disbursements:** The seller may choose to receive their payments as a deposit to their Timberland Bank checking, savings or loan account. For an external account Timberland Bank may mail a cashier's check or send money to a checking or savings account electronically. Monthly Fees are based on how the seller receives their disbursements, (see attached fee schedule).
